

Special Citation

Presented to

Danny Perna

Owner

Epic Aviation

New Smyrna Beach, Florida

March 2006

AOPA offers its most sincere thanks and appreciation to the staff of Epic Aviation for their hospitality and cooperation during the video production for AOPA's updated Project Pilot.

Your generous assistance made an immense contribution to AOPA's major effort to recruit and support new pilots and was a proud reflection of all that is good in General Aviation.

AOPA will forever hold a special place in our hearts for Epic Aviation and EVB.
